

Irecoop Veneto

to grow STRONGER

Since 1980, Irecoop Veneto has been working in Italy and Europe in close collaboration with cooperative enterprises' system, small and medium enterprises and public organisations.

The aim is to provide training and consultancy services to increase professionalism and innovation in agricultural, industrial, commercial and tertiary sector.

Irecoop Veneto is mainly involved in two areas:

Training

- Training and vocational guidance for job insertion of young unemployed and disadvantaged people;
- Corporate coaching, lifelong training and re-qualification.

Consultancy

- Consultancy for managing training and executive coaching;
- Consultancy for start and follow up of profit and non-profit enterprises.

Experience gained in the last twenty years allowed Irecoop Veneto to achieve relevant know-how and know-what both in analysis and interpretation of needs in the fabric of society and in conceiving training and consultancy services to fulfil the needs and expectations of users.

Irecoop Veneto is accredited according to Regional Law 19/2002 for providing Higher and Life Long Learning with respect to the quality standard required.

More over Total Quality Certification, in accordance to Quality Managing System **UNI EN ISO 9001:2000**, enables Irecoop Veneto to realise permanent improvement and empowerment in services' supplying in order to pay a remarkable attention to people who take advantage of its services.

The **values** which Irecoop is based on are:

- Increasing the value of human resources;
- Taking care of customers;
- Gaining unceasing improvement.

Irecoop Mission is to allow women and men
to make working time a time
to realize themselves improving
their social growing.
